Dear Sue,

Croydon Pension Fund
Financial Statements for the year ended 31 March 2015

This representation letter is provided in connection with your audit of the financial statements of Croydon Pension Fund ('the Fund') for the year ended 31 March 2015 for the purpose of expressing an opinion as to whether the financial statements show a true and fair view of the financial transactions of the Fund during the year ended 31 March 2015, and of the amount and disposition at that date of its assets and liabilities, in accordance with applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2014/15 ('the Code').

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Financial Statements

- 1 We have fulfilled our responsibilities for the preparation of the financial statements in accordance with proper practices as set out in the Code; which give a true and fair view in accordance therewith, and for keeping records in respect of contributions received in respect of active members.
- 2 We have complied with the requirements of all statutory directions affecting the Fund and these matters have been appropriately reflected and disclosed in the financial statements.
- 3 The Council has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- 4 We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

5 Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

6 We acknowledge our responsibilities for making the accounting estimates included in the financial statements. Where it was necessary to choose between estimation techniques that comply with the Code, we selected the estimation technique considered to be the most appropriate to the Fund's particular circumstances for the purpose of giving a true and fair view. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. There are no other material judgements that need to be disclosed.

7 Those estimates reflect our judgement based on our knowledge and experience about past and current events and are also based on our assumptions about conditions we expect to exist and courses of action we expect to take.

8 Except as disclosed in the financial statements:

- a) there are no unrecorded liabilities, actual or contingent
- b) none of the assets of the Fund have been assigned, pledged or mortgaged.
- c) there are no material prior year charges or credits, nor exceptional or non recurring items requiring separate disclosure.

9 Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of the Code.

10 Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of the Code.

11 All events subsequent to the date of the financial statements and for which the Code requires adjustment or disclosure have been adjusted or disclosed.

12 We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The financial statements have been amended for these changes and are free of material misstatements, including omissions.

13 We believe that the Fund's financial statements should be prepared on a going concern basis on the grounds that current and future sources of funding or support will be more than adequate for the Fund's needs. We believe that no further disclosures relating to the Fund's ability to continue as a going concern need to be made in the financial statements.

14 We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.

Information Provided

15 We have provided you with:

- a) access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
- b) additional information that you have requested from us for the purpose of your audit; and unrestricted access to persons from whom you determined it necessary to obtain audit evidence.

16 We have communicated to you all deficiencies in internal control of which management is aware.

17 We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

18 All transactions have been recorded in the accounting records and are reflected in the financial statements.

19 We have disclosed to you all our knowledge of fraud or suspected fraud affecting the Fund involving:
management; employees who have significant roles in internal control; or others where the fraud could have a material effect on the financial statements.

20 We have disclosed to you all our knowledge of any allegations of fraud, or suspected fraud, affecting the Fund's financial statements communicated by employees, former employees, analysts, regulators or others.

21 We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.

22 There have been no communications with The Pensions Regulator or other regulatory bodies during the year or subsequently concerning matters of non-compliance with any legal duty.

23 We are not aware of any reports having been made to The Pensions Regulator by any of our advisors.

24 We have disclosed to you the identity of all the Fund's related parties and all the related party relationships and transactions of which we are aware.

25 We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.
