3. DETAIL

- 3.1 The Accounts and Audit (England) Regulations 2015 (the Regulations) require the Council to review, at least annually the effectiveness of its governance arrangements and publish an AGS each year with the financial statements. This is the Seventh year that the Council has produced an AGS.

- 3.2 Appendix 1 shows the draft AGS 2016/17. The information for the AGS has been generated through the Council's Governance framework including:

- External Audit
- Internal Audit
- Risk Management
- Performance Management
- Financial Management

- 3.3 The Council has in place a framework to manage the identified issues through the *General Purpose & Audit Committee*, where the actions reported in the AGS will be reviewed during the year. The AGS will be published as part of the Council's statutory accounts and annual report.

- 3.4 The identification of significant governance issues in relation to 2016/17 is drawn from a number of sources although substantially focussed around the review of the corporate risk register, in relation to red rated risks and issues raised through the Head of Internal Audit Report (HoIA).

4. FINANCIAL & RISK CONSIDERATIONS

- a. the Council shall be responsible for ensuring that the financial management of the Council is adequate and effective and that the Council has a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk; and

- b. the Council shall conduct a review at least once in a year of the effectiveness of its system of internal control and shall publish such a statement with its statement of accounts.

5.2 The Regulations requires that the findings of the review of the system of internal control must be considered by a committee of the Council, or by members of the Council meeting as a whole and that the Council review the effectiveness of their system of internal audit once a year and that a committee of the Council, or the Council as a whole review the findings.

5.3 The preparation and publication of an Annual Governance Statement in accordance with the 2007 CIPFA / SOLACE Framework meets the statutory requirement set out in the Regulations for authorities to prepare a statement of internal control in accordance with “proper practices”.
