Supplementary statement to NHS Croydon's pharmaceutical needs assessment

Date pharmaceutical needs assessment published – 1st February 2011

Date supplementary statement issued – 29th March 2012

The pharmaceutical needs assessment of NHS Croydon identified in Section 2 Parts 1&2 that:

- Fieldway is the most deprived ward in the whole of South West London and amongst the 15% most deprived in England
- It has above average numbers of teenage mothers and people aged 55+.
- In New Addington and Selsdon the pharmacy opening hours per 1000 items dispensed was 42.6 compared to an average of 46.2 for all Croydon (note this average did not include the new LPS pharmaceutical service in Mayday, which will increase the Croydon average)
- The number of dispensing staff per 1000 prescription items was low at 21.6 compared to 26.5 for all Croydon (note this average did not include the new LPS pharmaceutical service in Mayday, which will increase the Croydon average)

The PCT approved on 22nd June 2010 an application by Capsaris Ltd to open pharmacy contractor premises at Fieldway Pharmacy 3, Wayside, Fieldway, New Addington CR0 9DX to provide the following pharmaceutical services:

- Essential services
- Emergency hormonal contraception if identified as a need
