

APPENDIX C

Applicant: Ms. Joanna Kulp

Location: On the footway outside 35 Limpsfield Road, Sanderstead,
CR2 9LA

1. Detailed Considerations

1.1 This site was first granted a street trading licence in January 2007 to display plants and flowers.

A copy of the current licence is attached at Appendix C1.

1.2 On the 1 October 2012 Ms. Kulp submitted a variation application to the Licensing Team to vary her licence to increase the size of the display. A copy of the variation form is attached as Appendix C2.

1.3 Photographs Appendix C3 and C4 show the current display, the premises currently has a private forecourt of 0.8 m plus 1.2 m of Council highway. The proposed increase in the size of the display will still allow for the required 2m clearance for a Council maintained highway.

1.4 Would the Committee please note that the applicant has informally indicated that she only intends to use the additional area for special occasions, i.e Christmas, Mothers Day Easter and Valentines Day.

1.5 The variation was duly advertised in the Croydon Guardian, no objections were received.

1.6 The Police licensing Officers, Food Safety team, Planning, Highways, and parking services divisions were invited to comment on this variation application, no objections have been received.

1.7 There is no other nearby premises who currently hold a street trading licence. The site is shaded on the attached map Appendix C 5.

I, Joanna Kulp, of [redacted] [redacted] [redacted] [redacted]

would like to vary the street trading licence No 12700899/STTC which is valid for the following site.

insert trading address

Occasionally Yours, 35 Impsheld Road, Sandstead CR2 9LH.

Please give details of the required variation:

At the current time we have an area of Length 7.3m, width 1.2m plus 0.8m, Height 1.5m. I would like to extend the width a total of 2m - this still would leave 2m clearance from the curb and any street furniture. So the total width would be 4m.

I enclose a fee of £25 which I understand is not refundable.
