16.1 A Member of the Licensing Committee who has been involved in a licence application shall not serve on the Licensing Sub-Committee hearing at which the licence application is to be determined.

16.2 No Member sitting on the Licensing Sub-Committee can represent one of the interested Parties or applicant. If a Member wishes to do so s/he must excuse him/herself from membership of the Licensing Sub-Committee which is considering the application and address the Licensing Sub-Committee as a representative for an Interested Party (subject to 17.2 below).

16.3 Members involved in Council meetings which approved the Licensing Policy (or any amendment to it), will not be excluded from membership of the Licensing Sub-Committee solely on this basis.

17.2 Where a Member has a disclosable pecuniary interest in relation to the application under consideration they may not sit on that sub-committee.

17.3 Any Member with a disclosable pecuniary interest is also precluded from making representations orally to the Sub-Committee or from making representations on behalf of a party to the hearing. They can still present their views through other means. For example, the Member can:

- make written representations in their private capacity. The existence and nature of the interest should be disclosed in such representations and the Member should not seek preferential consideration for their representations. Such written representations should be addressed to officers rather than other Members of the Authority;
- use a professional representative to make an application on the Members behalf; or
- arrange for another Member of the Authority to represent the views of the Member's constituents on matters in which their ward Member has a disclosable pecuniary interest.

17.4 The Member who has a disclosable pecuniary interest but has been asked to represent the views of a party making representations should advise them about that interest and inform them that another Member may represent their views on the issue. When representing those views the other Member should make it clear to the relevant committee or officers that he or she is acting in place of the original Member because of that Member's disclosable pecuniary interest.

18. LOBBYING

18.1 If a Member of the Licensing Committee is approached by a person(s) wishing to lobby him/her on a licence application then that Member should explain that they cannot discuss the matter and refer the lobby person(s) to the Licensing Officer or his/her Ward Member who can explain the process of decision making. Any written representations received by a Member of the Licensing Committee should be passed to the Licensing Officer and reported at the hearing at which the application is being determined. Requests for procedural advice with regards to licensing applications should be referred to Council Officers for advice and information.

18.2 Other Members must not lobby Members who sit on the Licensing Sub-Committee, directly or indirectly, before or after a meeting, in writing or otherwise, in respect of items to be decided by the Licensing Sub-Committee. Any representation by other Members, on behalf of an **Other Person(s)**, should be sent to the relevant Licensing Officer for inclusion in his/her report. A Member shall not attempt to use her/his status as a Member to influence consideration of a submission, or try to get officers to change a decision or recommendation.

has a personal interest in a matter if that matter is one they must Register under Part 3 of the Code or one which affects the well-being or financial position of themselves, members of their family, or people with whom they have a close association, more than it would affect the majority of people in the ward affected by the decision, or in the Authority's area.

17.2 A personal and prejudicial interest is one where:

the matter does not fall within one of the exempt categories of decisions; and the matter affects the Members financial interests or relates to a licensing or regulatory matter; and
a member of the public, who knows the relevant facts, would reasonably think their personal interest is so significant that it is likely to prejudice their judgement of the public interest.

A 'Licensing matter' is one which relates to an approval, consent, licence, permission or registration that affects the Member or any person or body with which the Member has a personal interest.

A matter is so significant that it is likely to prejudice a Members judgement if a reasonable member of the public with knowledge of all the relevant facts would think that the Members judgement of the public interest might be prejudiced.

The mere existence of local knowledge, or connections within the local community, will not normally be sufficient to meet the test. There must be some factor that might positively harm the Members ability to judge the public interest objectively. The nature of the matter is also important, including whether a large number of people are equally affected by it or whether the Member or a smaller group are particularly affected.

If a Member has a personal and prejudicial interest in a matter being discussed at a meeting, they must declare that they have a prejudicial interest and the nature of that interest as soon as that interest becomes apparent to them and should then leave the room.

17.3 However, a Member with a personal and prejudicial interest in any business, such as a matter for determination at a relevant committee, may attend the meeting but only for the purpose of making representations, answering questions or giving evidence relating to that matter provided that the public are also allowed to attend the meeting for the same purpose, whether under a statutory right or otherwise.

17.4 The Member must leave immediately after they have made their representations, given evidence or answered questions, and before discussion of the application starts. If the meeting decides that the Member should finish speaking, despite their intention to say more, the

Member must comply with the meeting's decision. Although members of the public may be allowed to observe the discussion the Member with a personal and prejudicial interest is not allowed to do so and must leave the room immediately. Failure to do so may be viewed as an attempt to improperly influence the meeting.

17.5 A Member with a personal and prejudicial interest can still present their views to through other means and influence the decision in a way that is not improper. For example, the Member can:

make written representations in their private capacity. The existence and nature of the interest should be disclosed in such representations and the Member should not seek preferential consideration for their representations. Such written representations should be addressed to officers rather than other members of the Authority;

use a professional representative to make an application on the Members behalf; and

arrange for another Member of the Authority to represent the views of the Member's constituents on matters in which their ward Member has a prejudicial interest.

17.6 To prevent any appearance of improper influence, a Member who has a prejudicial interest in a matter to be determined should avoid discussing that matter with any Member of the Authority, even to ask a Ward Member to present their views in their absence except to arrange, as above, for another Member of the authority to present their constituents' views. The Member who has an interest should formally advise their constituents about that interest and inform them that the other Member will represent their views on the issue. When representing those views the other Member should make it clear to the relevant committee or officers that he or she is acting in place of the original Member because of that Member's prejudicial interest.
