- Measurements:** The measurement from the pub window to the edge of the pavement is 4.2m on the left hand side and 4.4m on the right hand side.
The applicant has applied for 2 trading areas of 1.8 m each side of the main entranced doors, this leaves a clear pavement width of 2.4 m on the left hand side and 2.6m on the right hand side. George Street is maintained by Croydon Council and the required clear pavement width is 2 m.
A length of 2.2 m and a height of 1m are also applied for each side of the entrance doors.

Appendix A1 shows a plan of the site.
Appendix A2 and A3 are photographs of the display

Proposed Times of Trading:

To Display: Tables and Chairs

1. Detailed Considerations

- 1.1 This application was deferred from the meeting of the 16th July 2014 as the Committee had concerns that the display seemed from the photographs that it was overspreading the 1.8 m width. The applicant was not present at the previous meeting
- 1.2 The Officer has subsequently visited the premises

The presence of a fixed ash tray either side of the entrance doors has prevented the barriers surrounding the display from being pushed back fully into the recess.
- 1.3 The ashtrays have now been relocated and the display is now in accordance with the measurements applied for.
- 1.4 A copy of the temporary licence issued is attached as Appendix A4.
