Subject: Mobile Coffee Shop @ Norwood Junction

Dear Wendy,

I am writing to you to object a pavement licence given to Joe Santini to trade on Clifford Road next to Norwood Junction Station's entrance. We operate a coffee shop inside Norwood Junction Station (from the side that serves commuters from Clifford Road) and have invested a lot of money to get it going. We currently employ 2 staff who live local and their lives depend on the success of the business.

We believe in completion and equally know he has not make a living, but not an unfair competition. This is so because mobile coffee shop is taking away all the trade coming into the station from Clifford Road's entrance and this will have a negative effect on our sales.

So we would like to know if there was any consultation or survey carried out for a mobile coffee shop outside the station? We would also like to point out that where the van is parked on the foot path is an outright hazard to pedestrians.

We have attached a photographic evidence for your perusal.

We look forward to hearing from you soon.

With best wishes,

Founder

Subject: Norwood Junction Station coffee shops

Dear Madam,

My name is _____ and I am writing to inform you about some changes recently happened at Norwood Junction Station.

I am employed as a barista and also manager at coffee shop called '_____' since almost a year. This job gives me a living and the opportunity to meet people from all layers of society and I like my job. One fear has reached me - the opportunity that I might loose my job.

This morning at 6.30 as I went to start my shift I have noticed that someone else is selling coffees at the station. I was surprised when I saw a car on the street with coffee machine. '_____' already has a competitor at this station called '_____', who takes some customers from us but we had no difficulties so far living next to each other. My problem is the other company and I don't know about their future plans.

Dear Madam, could you please enlighten me about those people and about how long they plan to stay? As I have noticed this morning they cause a great loss on our incomes and I am very worried about losing my job.

Yours sincerely,

E6

I would like to support your application for a full licence for street trading in Clifford Road, SE25, at the rear of Norwood Junction station, where I work. It is a great amenity for this side of the railway. It also supplies a great opportunity for natural surveillance in the neighbourhood, reducing the opportunity for anti-social behaviour too!
- I wish you success in your application!
