PROTECTIVE MARKING

4. Details of association of the above premises with serious crime, serious disorder or both

On Saturday 10th October 2015 between 0410hrs and 0440 hours a male customer was stabbed in the neck inside the premises. The suspect and the people he was with then left the premises and are at this moment in time unidentified. The victim was rushed to hospital and has undergone surgery on this serious wound. At this stage it seems apparent that neither the suspect or victim have been scanned on the ID scanner.

On 9th June 2015 PC Rhodes wrote to the premises licence holder following another assault, and in order to prevent a review of the premises licence and or criminal proceedings, the premises licence holder agreed to install an ID scanner and confirmed that everyone entering the premises regardless of age would have their photo ID scanned.

On 1st August 2015 PC Rhodes attended the premises and spoke at great length with the door team about the use of the ID scanner, ensuring that everyone was searched, and about the victim scene suspect system (VSS).

Having now viewed the CCTV footage from the premises the suspect and his friends are allowed entry to the premises without presenting any form of ID, the searching of these males was of a very poor standard. This has directly resulted in a near fatal stabbing inside the premises and has seriously hindered the apprehension of the person(s) responsible. Whilst the management at the premises have always responded to police requests and advice in a positive way there is no confidence in the ability of the security team to perform their role. This is not however the first time something of a serious nature has happened at this venue and under the circumstances of such a serious nature this application is essential in order to support and promote the Prevention of Crime and Disorder licensing objective. The Metropolitan Police also request that this premises licence is suspended with immediate effect until a full review can be heard by a licensing sub committee.

Notes for guidance

- A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

 - conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
 - conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious disorder is not defined in legislation, and so bears its ordinary English meaning.
- Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case because:

(Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned)

This incident of serious crime involves a male being stabbed in the neck and could very easily resulted in a fatality. This has been allowed to take place because of the failings of the licensed premises and it security team. My licensing office have had numerous interventions with the venue and its staff up to the point of a standard review application. They have negotiated a number of measures and proceedures to prevent this from happening yet still these types of incidents continue. This application is both necessary and proportionate considering the serious nature of this incident. This premises cannot be allowed to continue to be open to the public until the matter can be heard before a licensing sub committee

10/00547/LIPREM

Dear Fred

On 11th May 2015 between 0320hrs & 0340hrs two females have alleged that they were victims of a serious unprovoked assault in your premises. This matter is currently being investigated by the CID from Croydon Police Station. I have read the details from the crime report and I am very disappointed by the comments which relate to the capturing of the incident from your CCTV system. As I understand on the night your security ejected the suspect from the premises following the assault. This is unacceptable and does not support the Prevention of Crime and Disorder Licensing Objective. All of your door supervisors should be in possession of VSS cards (Victim, scene, suspect). This is an aid memoire on how to deal with suspects, victims and crime scenes. The very minimum I would expect is for you to provide first aid to the victims, detain the suspect and alert the police via Safer Croydon Radio or 999 telephone system.

I note from the crime report that you have told the investigating officer that your CCTV system only records for 21 days and that the footage is now lost. Annex 2 Condition 1 states that CCTV should record for a minimum of 28 days and be made available on request.

Annex 2 Condition 10 states that you must maintain a comprehensive incident register detailing the date, time, location, persons concerned, summary of the incident and identification of emergency personnel in attendance.

I consider the failure to provide CCTV to police on request as a serious breach of your premises licence bearing in mind the nature of the incident. If you are unable to provide me with the footage which was requested by the police on the 2nd June during a telephone conversation between you and Pc Garrod then you are in breach of your premises licence. This constitutes an offence under Section 136 of the Licensing act 2003.

As a minimum I will review your premises licence with a view to reducing your hours and imposing conditions appropriate to supporting the Prevention of Crime and Disorder Licensing Objective, such as a reduction in hours and the installation of an ID scanner whilst also giving consideration to instigating criminal proceedings in relation to the 136 offence.

I also want to see your incident report for this night and a list of all door supervisors who were on duty. I must remind you that all door supervisors who were involved in both the ejecting of the suspect and the victim should have completed written reports outlining their actions and their decision making process. I would also like to see a copy of the door supervisor reports.

The Metropolitan Police as a Responsible Authority under the Licensing Act 2003 reserves the right to initiate a Review of your Premises License and take enforcement action with reference to the commission of offences under the 'Act'

Dear Sirs,

Re: Club 791, 791 London Road, Thornton Heath, CR7 6AW

We have been instructed to act on behalf of Mr Fred Kibuuka Kyeyune of the above premises.

We understand an expedited review under S.53A has been made in respect of the above premises and the Licensing Sub-Committee has made the decision to suspend the Premises Licence.

We wish to make application against interim steps made under S.53A. Please accept this letter as formal notice of representation under S.53B(6), amongst other things:

1. That the interim steps to suspend the licence is disproportionate and not necessary; and
2. That our client wishes to have an opportunity to be heard to make further representations and provide the aforementioned at a hearing.

Please confirm safe receipt.

We look forward to hearing from you and would be grateful if you could advise the date and time of the hearing. We would be grateful if you could kindly consider holding the hearing on Thursday morning.

Yours faithfully

Dear Sirs,

Re: Club 791, 791 London Road, Thornton Heath, CR7 6AW

We write with reference to the above and further to our letter dated 20th October 2015 which included our client's clear indication that the letter was notice of his representation against the interim steps.

We write further today to confirm that our letter dated 20th October 2015 was our client's representation against interim steps and in accordance with Section 53B (9) (C) the relevant licensing authority must consider the representations made by the holder of the premises licence made at the hearing.

Our client will say, amongst other things:-

1. That the interim steps to suspend the licence is disproportionate and not necessary, and
2. That he wishes to have an opportunity to be heard to make further representations and provide the aforementioned at a hearing.

We are further somewhat perplexed as to how you accepted a similar letter dated 13th October 2015 as a notice of representation and yet have not acted consistently in accepting yesterday's letter as the same.

Our client is entitled to a hearing and if you are refusing him the opportunity to be heard then we will have to consider what advice to give to our client in relation to opening.

We would therefore ask you to confirm that you accept yesterday's letter, along with this letter, as a letter of representation against the interim steps and we await hearing from you with details of the date and time of the hearing for tomorrow.

ANNEX B

- 2. Application for the review of a premises licence under section 53A of the Licensing Act 2003 (premises associated with serious crime or disorder)**

INTRODUCTION

- 1.1 This guidance explains how to use the provisions in the Licensing Act 2003 ("the 2003 Act"), inserted by section 21 of the Violent Crime Reduction Act 2006, which allow a quick process for attaching interim conditions to a licence and a fast track licence review when the police consider that the premises concerned is associated with serious crime or serious disorder (or both).
- 1.2 This guidance has no statutory basis but is intended to assist police forces and licensing authorities when considering using the procedures.
- 1.3 The powers are set out in sections 53A to 53C of the 2003 Act and apply only where a premises licence authorises the sale of alcohol. They do not apply in respect of other premises licences, or to premises operating under a club premises certificate. The purpose of these powers is to complement existing procedures in the 2003 Act for tackling crime and disorder associated with licensed premises. Existing powers in Part 8 of the 2003 Act provide for the instant closure of premises by the police in some circumstances (in essence, disorder or nuisance) and the consequent review of premises licences by the licensing authority. The powers under sections 53A to 53C, which are in Part 3 of the 2003 Act, are aimed at tackling serious crime and serious disorder, in particular (but not exclusively) the use of guns and knives.
- 1.4 The powers allow:
- the police to trigger a fast track process to review a premises licence where the police consider that the premises are associated with **serious crime or serious disorder (or both)**; and
 - the licensing authority to respond by taking interim steps quickly, **where appropriate, pending a full review.**
- 1.5 In summary, the process is:
- the chief officer of police for the area in which the premises are situated may apply to the licensing authority for an expedited review of a premises licence where a senior police officer has issued a certificate stating that in his/her opinion the premises are associated with serious crime or serious disorder (or both);
 - on receipt of the application and the certificate, the licensing authority must within 48 hours of the time of its receipt consider whether it is necessary to take interim steps pending determination of the review of the premises licence – the authority must in any event undertake a review within 28 days after the day of receipt of the application.
- 1.6 The options open to the licensing authority at the interim steps stage include:
- modification of the conditions of the premises licence;
 - the exclusion of the sale of alcohol by retail from the scope of the licence;
 - removal of the designated premises supervisor from the licence; and

- suspension of the licence.

1.7 Following the full licence review, the licensing authority may do any of the above or may revoke the licence.

1.8 The purpose of this guidance is to:

- set out the circumstances where the power can be used; and
- outline the process and the steps at each stage.

THE STEPS

2. Triggering the expedited review

2.1 Section 53A of the Licensing Act 2003 sets out who may apply for an expedited review and the circumstances in which it can be used.

Application for expedited review

2.2 The chief officer of police for the area in which the premises are situated may apply to the relevant licensing authority for an expedited licence review if a **senior member** of the force has issued a **certificate** that in his/her opinion a licensed premises is associated with **serious crime or serious disorder (or both)**.

2.3 The key definitions used above are:

- **Senior member of the force:** This must be an officer of the rank of superintendent or above.
- **Certificate:** This is a formal note which identifies the licensed premises and includes a signed statement by a senior officer that he believes the premises is associated with serious crime, serious disorder or both. **This form is not prescribed in legislation. However, a sample form which forces may wish to adopt is attached at annex A to this guidance.**
- **Serious crime:** The tests to determine the kinds of conduct that amount to serious crime are set out in section 81(2) and (3) (a) and (b) of the Regulation of Investigatory Powers Act 2000. Those tests are that the conduct:
 - (a) constitutes an offence for which a person who is 21 years of age or over with no previous convictions could reasonably be expected to be sentenced to imprisonment for 3 years or more; and
 - (b) involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.
- **Serious disorder:** There is no definitive list of behaviours that constitute serious disorder, and the matter is one for judgment by the local police. The phrase should be given its plain, ordinary meaning, as is the case under section 12 of the Public Order Act 1986 in which it is also used.
- **The application for a summary or expedited review:** this is an application made by, or on behalf of, the Chief Officer of Police under section 53A of the

2003 Act. The application must be made in the form which is set out in Schedule 8A to the Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005 (SI 2005/42). The completed application must be accompanied by the certificate issued by a senior officer. The form which must be used is reproduced in annex B of this guidance.

2.4 In deciding whether to sign a certificate, the senior officer will want to consider the following (as applicable):

- The track record of the licensed premises concerned and whether the police have previously had cause to give advice about serious criminal or disorderly conduct (or the likelihood of such conduct) attributable to activities taking place on the premises – it is not expected that this power will be used as a first response to a problem.
- The nature of the likely crime and/or disorder – is the potential incident sufficiently serious to warrant using this power?
- Should an alternative power be deployed? Is the incident sufficiently serious to warrant use of the powers in sections 161 to 165 of the 2003 Act to close the premises? Or could the police trigger a standard licence review to address the problem? Alternatively, could expedited reviews be used in conjunction with other powers (for example, modifying licence conditions following the use of a closure power).
- What added value will use of the expedited process bring? How would any interim steps that the licensing authority might take effectively address the problem?

2.5 It is recommended that these points are addressed in the chief officer's application to the licensing authority. In particular, it is important to explain why other powers or actions are not considered to be appropriate. It is up to the police to decide whether to include this information in the certificate or in section 4 of the application for summary review. The police will also have an opportunity later to make representations in relation to the full review.

2.6 In triggering the process, the police will wish to take into account the fact that an intended use of the power is to tackle the use of dangerous weapons and the violence they fuel. For example, in appropriate circumstances the police might want to make representations to the licensing authority suggesting that they modify the conditions of the premises licence to require searches of customers for offensive weapons upon entry. Under the powers in sections 53A to 53C, this could be done on an interim basis pending a full hearing of the issues within the prescribed 28-day timeframe.

2.7 Similarly, the power could, where appropriate, be used to reduce the risk of injury caused by glass by requiring the adoption of a safer alternative (but see paragraphs 3.6 and 3.7 below).

2.8 However, it should continue to be borne in mind that these are selective measures. It is not the aim to require all licensed premises to undertake these searches or use toughened glass. Rather, the policy aim is to provide a selective

tool, to be used proportionately, to limit this condition to those pubs that are at risk either because police intelligence shows there is a risk of knives/guns being carried or because crime and disorder has occurred on the premises.

3. The Licensing Authority and the interim steps

3.1 Within 48 hours of receipt of the chief officer's application, the licensing authority must give the premises licence holder and responsible authorities a copy of the application for review and a copy of the certificate, and must also consider whether it is necessary to take interim steps. When calculating the 48 hour period any non-working day can be disregarded.¹

3.2 The licensing authority may want to consult the police about the steps that it thinks are appropriate, pending the determination of the review, to address the immediate problems with the premises, in particular the likelihood of serious crime and/or serious disorder. The licensing authority may consider the interim steps without the holder of the premises licence having been given an opportunity to make representations. This does not, of course, mean that the licensing authority *cannot* afford such an opportunity if it thinks it appropriate and feasible to do so in all the circumstances.

3.3 The determination of interim steps is not a matter that may be delegated to an officer of the licensing authority. The relevant decisions are likely to be taken by a licensing sub-committee. It should also be noted that there is no requirement for a formal hearing in order to take interim steps. This means that the relevant sub committee members can communicate by telephone or other remote means in order to reach a decision. A written record should always be produced as soon as possible after a decision is reached.

3.4 The interim steps that the licensing authority must consider taking are:

- the modification of the conditions of the premises licence;
- the exclusion of the sale of alcohol by retail from the scope of the licence;
- the removal of the designated premises supervisor from the licence; and
- the suspension of the licence.

Modification of the conditions of the premises licence can include the alteration or modification of existing conditions or addition of any new conditions, including those that restrict the times at which licensable activities authorised by the licence can take place. Further examples of possible licensing conditions, including those aimed at tackling crime and disorder, can be found in the amended guidance issued under section 182 of the 2003 Act (available at:

www.homeoffice.gov.uk/publications/alcohol-drugs/alcohol/guidance-section-182-licensing).

3.5 If the licensing authority decides to take steps at the interim stage:

¹ This means that, for example, if the application was received at 3pm on a Friday, the 48 hour period would cover the remaining 9 hours on that Friday and the remaining 39 hours starting on the Monday morning (provided it was not a bank holiday). In this case the licensing authority would have to decide on interim steps by 3pm on the Tuesday.

- the decision takes effect immediately, or as soon after it as the licensing authority directs; but
- the licensing authority must give immediate notice of its decision and its reasons for doing so to the holder of the premises licence and the chief officer of police who made the application. The 2003 Act does not specify that the immediate notice has to be in writing. However, in an individual case the licensing authority may consider that the need for immediate communication at least initially requires a non-written approach, such as a telephone call. This may happen when, for example, the authority decides that the decision should have immediate effect. In such a case, the decision and the reasons for it should be explained clearly and in full to the licence-holder (or someone who may properly act for the licence-holder), and the call followed up as soon as possible with a written version of the decision and the reasons (for example, by email or fax) which is identical to, or not significantly different from, the version given by telephone.

3.6 The licensing authority, in deciding when its decision on interim steps should take effect, should consider the practical implications of compliance in relation to the premises. For example to comply with a modification of the conditions of a licence that requires employment of door supervisors, those running the premises may need some time to recruit appropriately qualified and accredited staff.

3.7 In addition, very careful consideration needs to be given to interim steps which would require significant cost or permanent or semi-permanent adjustments to premises which would be difficult to remove if the outcome of the subsequent full review was to withdraw or modify those steps. For example, making structural changes, installing additional CCTV or replacing all glassware with safer alternatives may be valid steps, but might be disproportionate if they are not likely to be deemed necessary following the full review (or any subsequent appeal). The focus for interim steps should be on the immediate measures that are necessary to prevent serious crime or serious disorder occurring. In some circumstances, it might be better to seek suspension of the licence pending the full review, rather than imposing a range of costly conditions or permanent adjustments.

4. Making representations against the interim steps

4.1 The premises licence holder may make representations against the interim steps taken by the licensing authority. There is no time limit for the premises licence holder to make representations on the interim steps, although in practice this would at some point be superseded by the full review which would have to be completed within 28 days of the application being received by the licensing authority. On receipt of such representations, the licensing authority must (if the representations are not withdrawn) hold a hearing within 48 hours of their receipt. When calculating the 48 hour period, any non-working day can be disregarded.

4.2 The licensing authority must give advance notice of the hearing to the premises licence holder and the chief officer of police. Given that these measures are designed to deal with serious crime and serious disorder on an interim basis only, the process is designed to avoid delay and, as such, significant portions of the Licensing Act 2003 (Hearings) Regulations 2005 (SI 2005/44) (which set out the usual processes governing the conduct of licensing authority hearings) do not apply in order to streamline the hearing process. One result of this is that licensing authority cannot adjourn the hearing to a later date if the licence holder fails to attend

at the scheduled time, as is the case under the normal review procedure. And as is the case with that procedure, the licence holder does not have to be present for the hearing to take place. In addition, there is no timescale for notifying the licence holder of the hearing under the modified process, providing the notification takes place before the hearing is held. However, it is imperative that the licence holder be given as much notice as is possible in the circumstances to afford the holder a maximum practicable opportunity to prepare for and attend the hearing. Licensing authorities should bear in mind that the usual principles of public law decision-making will apply to interim determinations, in a form that has regard to the statutory context of an expedited process.

4.3 At the hearing the licensing authority must:

- consider whether the interim steps are appropriate for the promotion of the licensing objectives; and
- determine whether to withdraw or modify the steps taken.

4.4 When considering the case the licensing authority must take into account:

- the senior officer's certificate that accompanied the application;
- the chief officer's representations (if any); and
- any representations made by the premises licence holder.

4.5 There is no right of appeal to a magistrates' court against the licensing authority's decision at this stage.

5. The review of the premises licence

5.1 The licensing authority must hold a review of the premises licence within 28 days after the day of receipt of the chief officer's application. This must take place even if the chief officer asks to withdraw his application or representations. At the hearing, the licensing authority must:

- consider what steps it considers appropriate for the promotion of the licensing objectives; and
- decide which interim steps (if there are any) cease to have effect altogether or become the subject of any steps which it considers are appropriate when making its determination on the review.

5.2 The steps the licensing authority can take are:

- the modification of the conditions of the premises licence;
- the exclusion of a licensable activity from the scope of the licence;
- the removal of the designated premises supervisor from the licence;
- the suspension of the licence for a period not exceeding 3 months; and
- the revocation of the licence.

Modification of the conditions of the premises licence can include the alteration or modification of existing conditions or addition of any new conditions, including those that restrict the times at which licensable activities authorised by the licence can take place. Further examples of possible licensing conditions, including those aimed at tackling crime and disorder, can be found in the amended guidance under section 182 of the 2003 Act.

5.3 The licensing authority must:

- advertise the review inviting representations from any persons for no less than seven consecutive days, by notice as described in regulation 38 of the Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005 (SI 2005/42) and, if applicable, on the licensing authority's website (see regulation 38(1)(b) of the above). The relevant notices should be published on the day after the day of receipt of the chief officer's application.
- advertise that any representations made by the premises licence holder, responsible authority and any other persons should be submitted to the licensing authority within 10 working days of the advertisement of the review appearing.
- give formal notice of the hearing no later than five working days before the day or first day on which the hearing is to be held to the premises licence holder and to every responsible authority².

5.4 A party shall give to the authority a notice no later than two working days before the day or the first day on which the hearing is to be held stating –

- whether he intends to attend or be represented at the hearing;
- whether he considers a hearing to be unnecessary.
- whether he would like permission for any other person (other than the person he intends to represent him at the hearing) to appear at the hearing and, if so, explain on which points that person will be able to contribute.

5.5 The regulations relating to hearings are set out in the Licensing Act 2003 (Hearings) Regulations 2005 (S.I. 2005/44). They apply to final hearings under the section 53A(2)(b) in a similar way to hearings following closure orders under section 167 of the 2003 Act (it should be emphasised that the truncated version of the hearings regulations described in paragraph 4.2 above applies to interim hearings only). The issues they address include who can make representations and what those representations can be about. It is therefore possible for responsible authorities or any other persons to make representations in relation to any of the licensing objectives, not just crime and disorder. Similarly, where it is in the public interest, the regulations relating to the exclusion of individuals from hearings, or conducting the hearing in private, will apply.

5.6 The licensing authority must take into account any relevant representations made. Relevant representations are those that:

² Responsible authorities are defined under sections 13(4) and 69(4) of the 2003 Act.

- relate to one or more of the licensing objectives;
- have not been withdrawn; and
- are made by the premises licence holder, a responsible authority or any other person (who is not also a responsible authority).

5.7 The licensing authority must notify its decision and the reasons for making it to:

- the holder of the premises licence;
- any person who made relevant representations; and
- the chief officer of police who made the original application.

6. Right of Appeal

6.1 An appeal may be made to the magistrates' court within 21 days of the licence holder being notified of the licensing authority's determination on the review. An appeal may be made by the premises licence holder, the chief officer of police and/or any other person who made relevant representations.

6.2 The decision of the licensing authority, following the review hearing, will not have effect until the end of the period allowed for appeal, or until the disposal of the appeal.
