

Mr Michael Goddard,

Thank you for your recent email regarding licence 1369 London Road. Please see attachments for your kind information about our business premises trade waste contract and their payment invoice as well as business waste oil disposal with a registered company and their invoice collection on regular basis and safely.

At our shop in customers seating area we have also provided the waste bin for customers to use to throw away litter. to reduce the chance of them littering on the street and the surrounding area.

Also we have displayed clearly on our premises about 'public nuisance' notice where we clearly request our customer to keep their voices low while they are at our premises and in the neighborhood to avoid the disturbance caused to our neighbors.

Further to this matter our representative will be attending the hearing on 6th September 2016.

Kind Regards

Tahir Butt
