

PLANNING SUB-COMMITTEE
Thursday 30th June 2016
- ADDENDUM TO AGENDA -

Item 6.1 – Addendum for 770a London Road, Thornton Heath CR7 6JB

The officer's report in Paragraph 1.1 stated that the application is being reported to committee because the ward councillor (Cllr Stuart King) made representations in accordance with the Committee Consideration Criteria. Paragraph 6.3 of the report also stated that Councillor Stuart King is objecting to the development.

Councillor King had initially objected on grounds of inadequate arrangements for waste storage and disposal has been provided. The applicant had since submitted amended plans (DP/2712/PP/REV A/01, DP/2712/PP/REV A/02) showing provision of temporary storage of refuse on the site addressing this concern.

In light of this, Councillor King has formally withdrawn his referral/objection.
