

## **-Addendum for Planning Sub Committee-**

**Thursday 20<sup>th</sup> April 2017**

**Item 6.1 – 40 Central Parade, Croydon CR0 0JD**

**Application – 16/06335/FUL**

Paragraph 3.1 should read: “The application site lies on the north-eastern side of Central Parade and is currently occupied by a three storey building with A1 (Retail) Use on the ground floor which is currently vacant and residential accommodation above on the floors above.”

A further late representation has been received again highlighting the perceived over provision of hot food establishments and would prefer a healthy food establishment that sells fresh produce.
