

PLANNING SUB-COMMITTEE
Thursday 1st August 2019

- ADDENDUM TO AGENDA -

Item 5.1 – 19/02062/HSE – Roselea Cottage, Ballards Farm Road, Croydon, CR0 5RL

- Amended drawings received on 01 August 2019 do not indicate a front porch. An application for a front porch extension has been submitted separately (LBC Ref 19/03446/HSE) although this is awaiting validation.
- One additional representation has been received, showing a video footage of a construction vehicle accessing/exiting the application site. Accordingly it has been considered that a construction logistic plan should be submitted and approved by the Local Planning Authority prior to the commencement of any works relating to the proposed two storey side extension, should this be granted consent.
