

Publicity in connection with key decisions – Special urgency

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 (“The regulations”)

When twenty-eight clear days’ notice cannot be given of the intention to take a decision which meets the Council Constitution definition of a Key Decision, the Proper Officer is required to give notice in writing to the Chair of Overview and Scrutiny or, if there is no such person, each member of the relevant overview and scrutiny committee, of the matter about which the decision is to be made.

In accordance with Regulation 11(1)(a), notice is hereby given that the following key decision is intended to be taken on behalf of the London Borough of Croydon by the Leader of the Council on or after 20 December 2021

Purpose of decision:	Income Management, Cash Receipting and Electronic Payment processing contract variation
Documents to be submitted:	Report of the Interim Corporate Director of Resources (Richard Ennis)
Key Decision number:	5921LR

Copies of those documents, once they become available in accordance with Regulation 7 and provided they are not subject to any prohibition or restriction on their disclosure will be available at Access Croydon, Bernard Weatherill House, 8 Mint Walk, Croydon, CR0 1EA, and on the Council’s website.

This decision cannot reasonably be deferred because:

The Framework that we will use to exercise the extension will expire at the end of December. There have been lengthy negotiations with Capita to secure increased savings which now amount to approximately £209k over the new 7 year term – these negotiations have led to the delay in this approval, so urgency is now required to secure these savings before the framework expiration deadline.

Other documents may be submitted to the decision maker and to request details of these documents contact Victoria Lower on 020 8760 5700 ext. 14773
