The Committee was informed that the application had been sent to responsible authorities and advertised in the local press; no representations had been received.

The section of highway in question was Transport for London (TfL) maintained; TfL had stated that they were happy with the proposed designation despite the kerbside clearance being two metres and under the usually required 2.8 metres.

The Applicant was present and provided further comment on the application. The Applicant stated that busy times on the street were usually during the morning and early afternoon with school children commuting and that tables and chairs would not be out during these times, other than weekends. In response to questions from the Committee about the clearance for waiting staff, the Applicant stated there was a metre clearance between tables for service.

In response to questions from the Committee about nearby designations, the Committee heard that the nearest was on the other side of the road.

The Committee **RESOLVED**:

1. To designate 6-8 Tudor Court, Russell Hill Road, Purley, CR8 2LA for the purposes of street trading.
2. To grant a street trading licence to the Applicant.

The Applicant was present and provided further comment on the application. In response to questions from the Committee, the Licensing Manager stated that Lambeth had not been consulted over the application.

The Committee **RESOLVED**:

1. To designate 5 Crown Parade, Crown Dale, Upper Norwood, SE19 3NG for the purposes of street trading.
2. To grant a street trading licence to the Applicant.

The Committee considered the application to designate a section of public highway outside **39 Limpsfield Road, South Croydon, CR2 9LA (Appendix D)**.

The Committee was informed that the application had been sent to responsible authorities and advertised in the local press; no representations had been received.

The Licensing Manager explained that the site had a private forecourt and that the designation being applied for would be in addition to this.

The Applicant was present and provided further comment on the application. The Applicant stated that they wished to use flower bed border barriers to add greenery and to enhance the area.

In response to the questions from the Committee, the Applicant explained that the flower bed barriers had lockable wheels and would be stored in the restaurant overnight.

During the temporary license period, it had transpired that the food and drinks aspect of the business had not been commercially viable. As a result, this had been replaced with additional mobile phone stock.

In response to concerns about the width of passage left for pedestrians, the Market and Street Trading Compliance Officer informed the Committee that no issues had been seen during the temporary license period. Most footfall was toward the tram platform and therefore the designation had not been an obstruction. The Licensing Manager informed the Committee that there was the ability to review the licence should issues arise in future.

The hours of operation requested were clarified to be 08.30 till 20.00 on weekdays and 09.00 till 19.00 on Sundays.

It was asked why the application had come to this committee when it had been submitted in November 2018. It was explained that the units used had taken time to build and that these were an enhancement which shrouded a potentially dangerous raised entrance to the site.

The Committee **RESOLVED**:

1. To designate 82 Church Street, Croydon, CR0 1RB for the purposes of street trading.
2. To grant a street trading licence to the Applicant.

The Applicant was present and provided further comment on the application. The Applicant stated that the hours applied for were until 3.00am to fall in line with the premises licence. The site rarely traded until 3.00am, with this normally having occurred on weekends.

In response to queries about an A board at the site, the Committee heard that this was dealt with under planning legislation and was not a matter for this Committee. In response to queries about patrons of the site taking up more space when smoking, the Committee was told that this was not a matter for its consideration. Rather it was the responsibility of the site to ensure that patrons did not become a nuisance. In response to queries about the addition of barriers, the Licensing Manager stated that this was a standard condition and would be included within the existing measurements in the application. The Chair noted that the barriers could act as a deterrent against pickpockets. The Committee noted that a main road ran parallel to Bell Hill and that pedestrian access should not be impeded.

The Committee **RESOLVED**:

1. To designate 34 Surrey Street, Croydon, CR0 1RJ for the purposes of street trading.
2. To grant a street trading licence to the Applicant.

The Committee considered the application to designate a section of public highway outside on **96 Brigstock Road, Thornton Heath, CR7 7JA (Appendix B)**.

FINANCIAL SUMMARY: There are no direct financial implications arising from this report.	
FORWARD PLAN KEY DECISION REFERENCE NO.: N/A	

For general release

1. RECOMMENDATIONS

- 1.1 The Committee is asked to determine whether to designate the sites detailed at Appendices A to E for the purposes of street trading and if designated to then determine whether to grant a street trading licence to each site. The Committee is also asked to consider whether to grant the application to vary the terms of an existing street trading licence at the site detailed at Appendix F.

2. EXECUTIVE SUMMARY

- 2.1 The purpose of this report is to seek the Committee's decision on the proposal to designate five sites in the Borough as a 'licence street for street trading and the granting of a street trading licence under the provisions of the London Local Authorities Act 1990 (as amended.)

- 2.2 The report also seeks the Committee's decision on the application to vary an existing street trading licence to vary the type of goods displayed for sale and to also permit the provision of tables & chairs for customer use (a service).

3. DETAIL

- 3.1 The London Local Authorities Act 1990 (as amended) (The Act) provides a legislative framework to control street trading in the Borough. Trading in respect of services as well as goods comes within the scope of the Act.
- 3.2 Licensed street trading may only take place in streets or parts of streets which have been formally designated as "licence streets".
- 3.3 Appendices A to E to this report provide details of the designation applications. The applicants have been invited to attend the meeting.
- 3.4 If the sites outlined in Appendices A to E are formally designated as a 'licence street' by the committee then the committee will decide whether to grant a street trading licence.
- 3.5 The measurements of the display areas as outlined in Appendices A to E will allow (as applicable) for the required 2 metre clear distance between the edge of the display and the nearest item of street furniture which is the requirement for roads maintained by Croydon Council or the 2.8 metre clear distance which is the requirement for roads maintained by TfL

5.2 Risks

If an applicant is refused a licence on any of the grounds mentioned in paragraph 7.2 (a) - (g) he/she will have the right of appeal to the Magistrates' Court against the decision. The decision of the Committee may also be subject to Judicial Review.

An appeal against a decision of the Committee or a Judicial Review of the application process may present financial risks to the Council with regard to any award of costs against it.

5.3 Options

The options available are: to grant the applications, to vary the applications, with or without further conditions, or to refuse the applications

5.4 Future savings/efficiencies

There are no savings or efficiencies arising directly from the recommendations in the report.

5.5 Approved by: Flora Osiyemi, Head of Finance, Place Department.

6. LEGAL CONSIDERATIONS

LICENCE STREET

6.1 If the borough council considers that street trading should be licensed in an area, they may pass a resolution designating any street within the borough as a “licence street” in accordance with Section 24 of the Act.

6.2 The first decision which has to be made is whether to designate the particular location as a “licence street”, which in turn would permit the consideration of a licence application.

6.3 Under Section 24 of the Act, the designation of a location as a “licence street” is at the discretion of the Committee and this decision is not subject to any direct appeal.

6.4 Each application must be considered on its own merits.

6.5 STREET TRADING LICENCE

If a site has been designated as a ‘licence street’, the committee must then decide whether to grant a licence to trade at that site – a ‘street trading licence’.

7. GROUNDS FOR REFUSAL

7.1 Under Section 25(4) of the Act, a street trading licence:

(a) shall not be granted:

(i) to a person under the age of 17 years; or

(ii) except where the application is made by a company incorporated under the Companies Acts, or by a partnership, for a licence to carry on ice-cream trading to a person, on a

corresponding day, days or time, who holds a street trading licence in any other licence street granted under this Part of the Act but nothing in this paragraph shall prevent the renewal of such a licence; or

- (iii) except where the application is made by a company incorporated under the Companies Acts, or by a partnership, for a licence to carry on ice-cream trading to a body corporate or to an unincorporated association;
- (iv) in respect of an application for a licence which is not a temporary licence to trade in a street which is not a licence street; or
- (v) where the street to which the application relates is a street in respect of which the borough council have by resolution passed under Sub-Section 1) (b) of Section 24 of this Act, specified a class of articles or things, or services which they will not prescribe in any street trading licence and the grant of the licence would be contrary to any of the terms of that resolution;

- (b) shall not be granted unless the borough council are satisfied that there is enough space in the street for the applicant to engage in the trading in which he desires to trade without causing undue interference or inconvenience to persons or vehicular traffic using the street.

7.2 Under Section 25(6) of the Act, the Council may refuse an application on any of the following grounds:

- (a) that there are enough traders trading in the street or in any street adjoining the street in respect of which the application is made in the goods in which the applicant desires to trade;
- (b) that the applicant is on account of misconduct or for any other sufficient reason unsuitable to hold the licence;
- (c) that the applicant is an individual who has without reasonable excuse failed personally to avail himself of a previous street trading licence;
- (d) that the applicant has at any time been granted a street trading licence by the borough council which was revoked or could have been revoked on the grounds that he had refused or neglected to pay fees or other charges due to them in respect of the licence;
- (e) that the applicant has failed to provide or to identify suitable or adequate premises for the storage of any receptacles or perishable goods in which he proposed to trade when street trading is not taking place;

- (f) that the application is for the grant (but not the renewal) of a street trading licence; and
 - (i) the only available position is in that part of the street which is contiguous with the frontage of a shop; and
 - (ii) the articles, things or services mentioned in the application are sold or provided at the shop;
- (g) that
 - (i) the application is for the grant (but not the renewal) of a street trading licence; and
 - (ii) the only available position in the street is within the curtilage of a shop; and
 - (iii) the applicant is not the owner or occupier of the premises comprising the shop.

7.3 The Head of Litigation and Corporate Law comments on behalf of the Director of Law and Governance that there are no additional legal implications arising from the recommendations in the report other than those already set out within the body of the report.

7.4 (Approved by Sandra Herbert, Head of Litigation and Corporate law on behalf of the Director of Law and Governance and Deputy Monitoring Officer).

8. HUMAN RESOURCES IMPACT

8.1 The Human Resources impact of supporting the Licensing Hearings will be contained within the budgeted establishments of the Democratic and Legal Services and Licensing Teams.

8.2 (Approved by: Jennifer Sankar, Head of Human Resources, Place Department)

9. CUSTOMER IMPACT

9.1 There are no specific customer services issues relating to these applications.

10 EQUALITIES IMPACT ASSESSMENT (EIA)

10.1 The arrangements for the Licensing Hearings seek to ensure that all applicants and other interested parties receive a fair hearing and that the process is accessible to all groups within the community.

11. ENVIRONMENTAL AND DESIGN IMPACT

11.1 There are no perceived environmental and design impacts relating to these applications.

12. CRIME AND DISORDER REDUCTION IMPACT

12.1 The Police Licensing Officer has been consulted on these applications.

13. HUMAN RIGHTS IMPACT

13.1 The Human Rights 1998 (HRA) requires public bodies to ensure everything they do is compatible with Convention Rights and makes it unlawful for a public authority to act incompatibly with those Rights. **Article 6 (A6)** of the European Convention on Human Rights (ECHR) is the right to a fair trial. The key elements of this include

- The right to a *fair* hearing;
- The right to a *public* hearing;
- The right to a hearing before an *independent and impartial tribunal*;
- The right to a hearing *within a reasonable time*.

13.2 When hearing an application, the proceedings of a non-judicial body such as the Licensing Committee, as opposed to an actual Court, need not meet the full requirements of A6 where there is a right of appeal from the Licensing Committee to a Court that does meet the full A6 standards and can consider all aspects of the case (even if that does not include a full re-hearing of the facts).

13.3 So, while it is good practice to make a hearing before the Licensing Committee as A6 compliant as possible, it will not be a breach of the HRA if it is not. Further, the hearing of all applications are subject to the principles of Natural Justice and the requirement for decisions to be 'Wednesbury reasonable'.

14. FREEDOM OF INFORMATION/DATA PROTECTION CONSIDERATIONS

14.1 Protocols agreed in relation to Licensing Hearings are within the Council's Constitution and will be accessible as part of the Council's Publication Scheme maintained under the Freedom of Information Act.

APPENDIX A

Applicant: Waitrose Ltd.

Location: On the highway outside 112 Brighton Road, Coulsdon, CR5 2NB.

Measurements: The application seeks a trading area of length 10.573m and width 0.57m for horticultural products and width 0.8m for the Trolley Bay. This would leave a minimum clear pavement width of 2.45m from the edge of the proposed display to the kerb. This area of highway is maintained by Croydon Council and the minimum required clear pavement width is 2 metres.

This site was previously designated for street trading by the licensing committee on 21 November 2018 for the measurements length 4.17m and width .56m. As the licence holder is seeking to trade from a larger area of public highway, this requires a new street trading designation application.

Appendix A1 shows photographs of the display and available pavement space. Appendix A2 is a diagram of the site with relevant measurements marked on it.

Proposed Times of Trading:

Monday to Saturday 7am to 10pm

Sunday 9.30am to 4.15pm

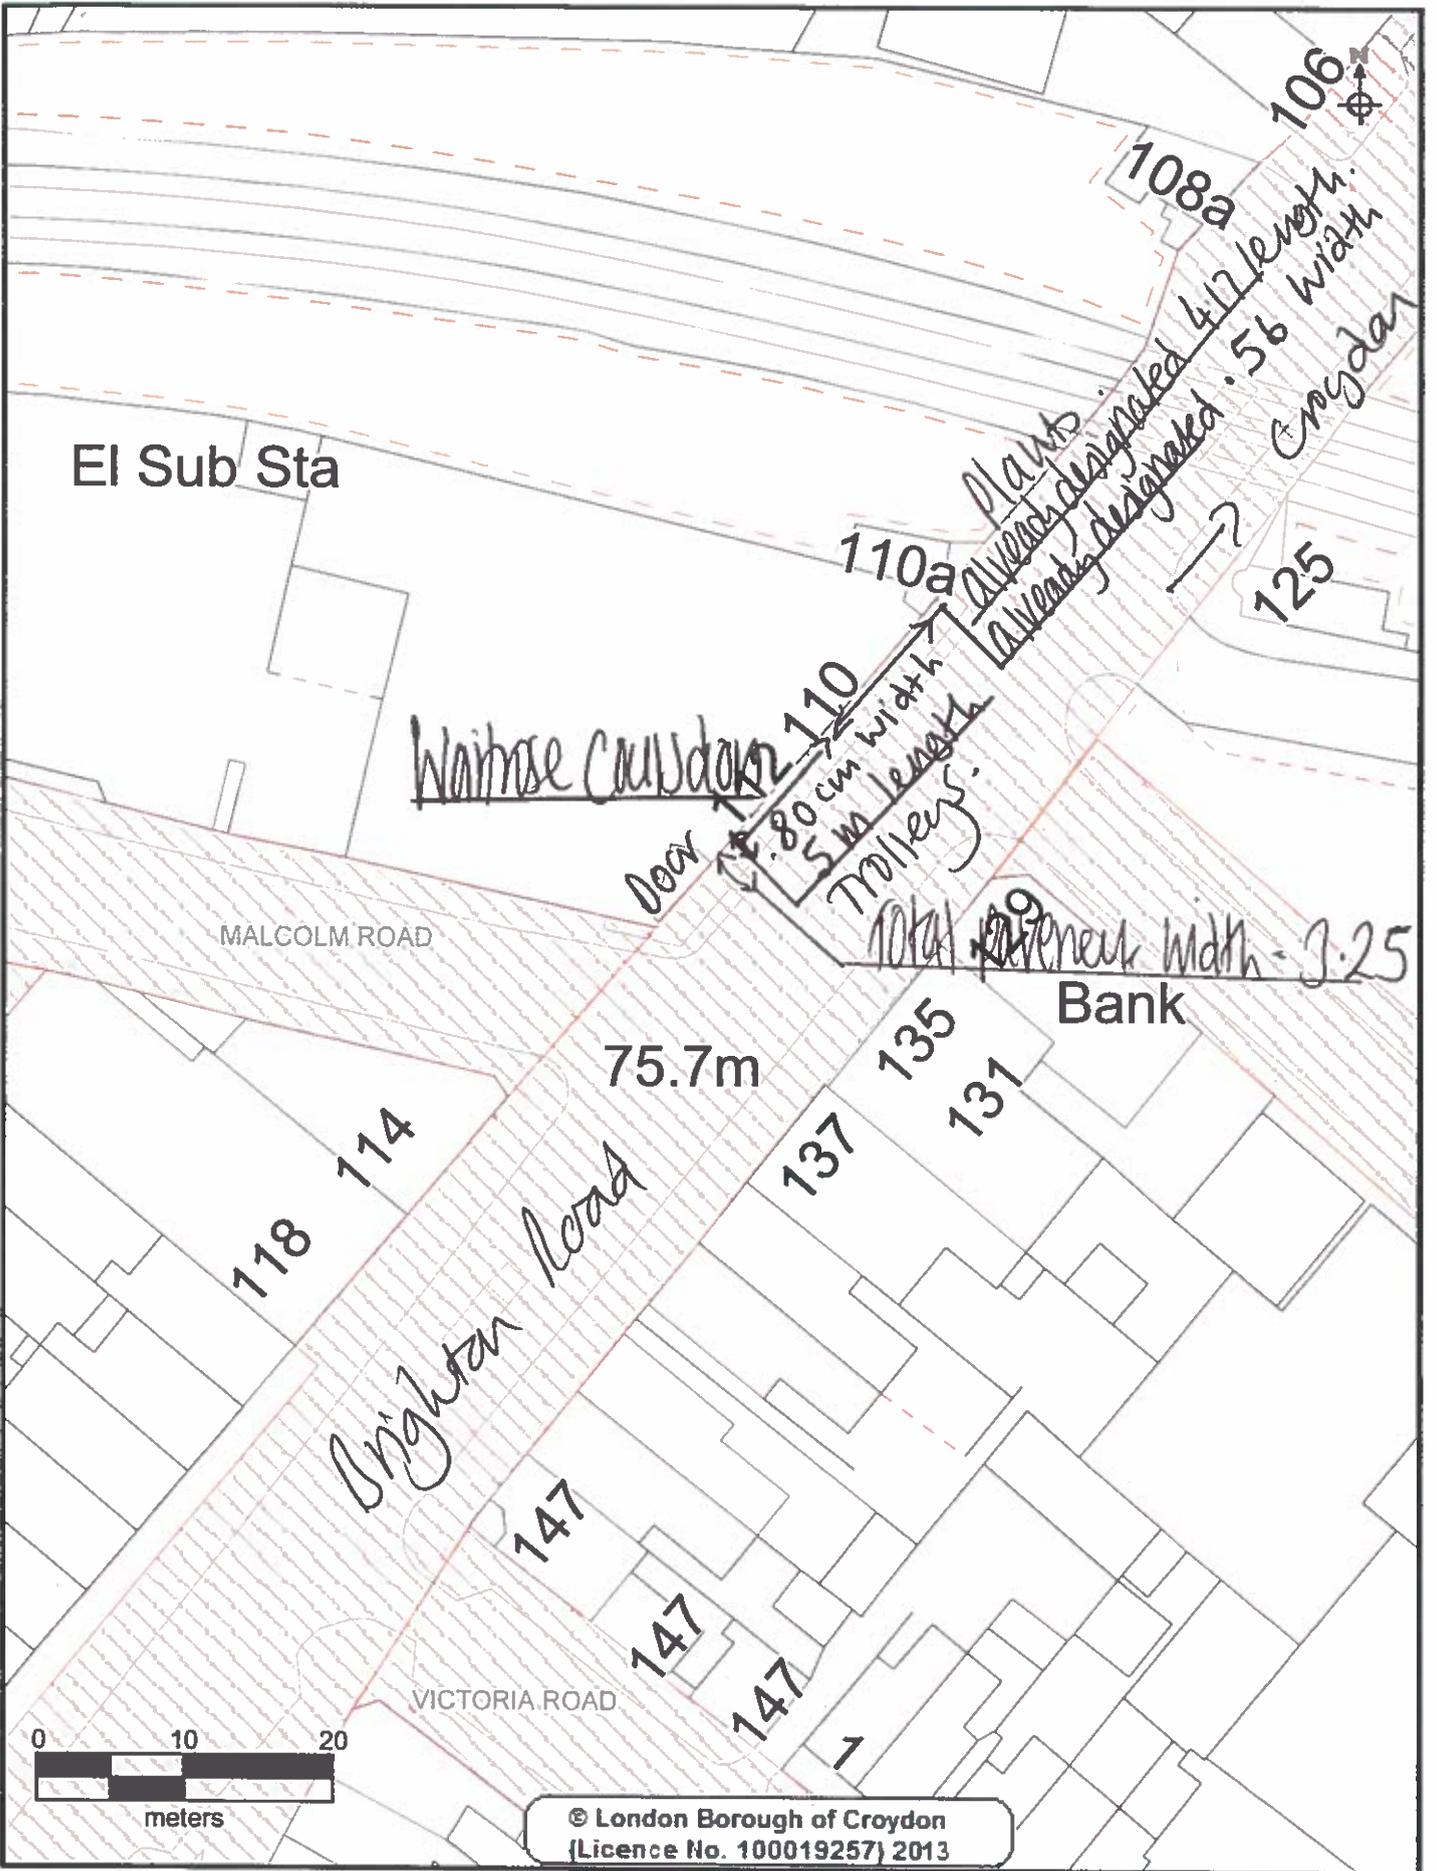

To Display: Horticultural Products, Christmas Trees and Mobile Trolley Bay

Your Ref:
Our Ref:
Date: 12 November 2019

Dear Sir

Subject: Street Designation Order

Address: **24 - 26 London Road Croydon Surrey CR0 2TA**

I acknowledge receipt of your recent application for a street designation order and temporary licence to display goods on the highway at the above premises.

Your attention is drawn to the Council's Street Trading Policy which states;-

'In relation to the parts of the streets listed below the Council, having consulted with the officers responsible for food safety, planning, parking, street scene and district centre managers, the Highway Authority, Transport for London, Police and licence holders in those streets or trade bodies representing them, are of the view that there are enough existing designated sites. This is on the basis that any addition to the number of existing designated sites would have an overall detrimental impact on the safe and convenient passage of pedestrians in that part of the street. The Committee will therefore generally be minded to refuse any further requests for designation but will consider each request on its merits.

- Entire length of London Rd

-Entire length of High St Thornton Heath

Where the Licensing Committee considers that, in any other parts of streets in the borough, there are enough existing designated sites it may, subject to a similar process of consultation, decide to include these additional parts of streets with those listed above. Similarly the Licensing Committee may from time to time determine that due to a change in circumstances parts of streets may be removed from that list. '

Your application will be heard by the Licensing Committee at a meeting to be arranged and as your application falls within the specified area outlined in the policy, the committee will be minded to refuse the application. You should therefore attend the meeting to explain to the committee the particular reasons why you consider that your application should be granted.

Please note that all fees paid are non refundable should the application be refused

Yours sincerely

E. Crassie
