33/22 **Assurance Mapping - Next Steps**

The Committee considered a report, which recognised assurance mapping as a good tool to support Audit Committees in their role of providing independent assurance of the organisation's internal controls and risk management. It was proposed that this technique be used to plan and prioritise the Committee's work programme for 2022/23 in order that the Committee fulfilled its terms of reference.

During consideration of the recommendations, the Committee discussed the following:

- (i) The need for ongoing, comprehensive training and briefings to be factored-in, given the complexities of the Committee's work and to allow Members the freedom to ask questions in relation to the details of the training being provided.

- (ii) That the use of new Members' induction to outline the functions and responsibilities of the Committee be considered.
- (iii) That consideration also be given to tapping into the knowledge and experience of existing Committee members, post 9 May 2022, as part of the Committee's training for new and existing Members, moving forward.
- (iv) That more detail be added to some of the points contained within future versions of the Code of Governance.
- (v) That "doing the right thing" be added as a work in progress.

Accordingly, it was **RESOLVED** that the report be noted.

34/22 **Anti-Fraud Update Report - 1 April 2021 to 31 March 2022**

The Committee considered a report, which detailed the performance of the Council's Corporate Anti-Fraud Team (CAFT) and included details of the Team's performance together with an update on developments between 1 April 2021 and 31 March 2022 and a comparison with 2020/21.

During consideration of the recommendations, the Committee discussed the following:

- (i) Points of clarification within the report, specifically in reference to "pensions", "planning" and "schools", as detailed in Table 2 to the report.
- (ii) Provision for any appeals lodged.
- (iii) Individual or organisation-led housing and illegal sub-lets.
- (iv) Covid grants and Trading Standards
- (v) Any increased costs and whether the Council actively looked for cases of fraud.
- (vi) The use of the Council's in-house Legal Services in dealing with cases of fraudulent activity.

Accordingly, it was **RESOLVED** that the report be noted.

35/22 **General Purposes and Audit Committee - Annual Report 2021-2022**

The Committee considered a report, presented by the Chair, which highlighted the work of the Committee over the last year as provided within the Committee's 'Terms of Reference and Scope of Work'. The report also included a brief forward look into the year ahead on the Committee's work and developments.

During consideration of the recommendations, the Committee discussed the following:

- (i) Points of clarification around the use of the "JACB" acronym and typographical errors (which officers agreed to amend).
- (ii) No mention in the report of CMT's audit and review of past actions or reference to Fairfield Halls.
- (iii) The timing of the Council's independent internal audit review (due every five years) and its inclusion in the Committee's Work Programme for 2022/2023.
- (iv) The next steps for the Annual Report.

Accordingly, it was RESOLVED that the report be noted/referred to Council
