

APPENDIX A

Applicant: Shakeel Mohammed

Location: On the highway outside 32-34 High Street, Thornton Heath, CR7 8LE.

Measurements: The application seeks a trading area of total length 7.1m (LHS 2.1m & RHS 5m), width 1.4m and height 2m. This area of highway is maintained by LB Croydon and these measurements would give a clear pavement width of 2.6m from the edge of the proposed display to the nearest item of street furniture (the telephone box in the photograph). The Council's policy requires a minimum clear passageway width of 2m.

Appendix A1 shows photographs of the display and available pavement space. Appendix A2 is a diagram of the site with relevant measurements marked on it.

Proposed Times of Trading:

Monday to Sunday 8am to 8pm

To Display: Fruit & Vegetables

Your Ref:

Our Ref:

Date: 11 February 2019

Dear Sir

Subject: Street Designation Order

Address: 32-34 High Street Thornton Heath CR7 8LE

I acknowledge receipt of your recent application for a street designation order and temporary licence to display goods on the highway at the above premises.

Your attention is drawn to the Council's Street Trading Policy which states:-

'In relation to the parts of the streets listed below the Council, having consulted with the officers responsible for food safety, planning, parking, street scene and district centre managers, the Highway Authority, Transport for London, Police and licence holders in those streets or trade bodies representing them, are of the view that there are enough existing designated sites. This is on the basis that any addition to the number of existing designated sites would have an overall detrimental impact on the safe and convenient passage of pedestrians in that part of the street. The Committee will therefore generally be minded to refuse any further requests for designation but will consider each request on its merits.'

- Entire length of London Rd

-Entire length of High St Thornton Heath

Where the Licensing Committee considers that, in any other parts of streets in the borough, there are enough existing designated sites it may, subject to a similar process of consultation, decide to include these additional parts of streets with those listed above. Similarly the Licensing Committee may from time to time determine that due to a change in circumstances parts of streets may be removed from that list. '

Your application will be heard by the Licensing Committee at a meeting to be arranged and as your application falls within the specified area outlined in the policy, the committee will be minded to refuse the application. You should therefore attend the meeting to explain to the committee the particular reasons why you consider that your application should be granted.

Please note that all fees paid are non refundable should the application be refused

Yours sincerely

Licensing Officer
