## **1. Recommendations for corporate parenting panel**

- 1.1 To consider, discuss and agree that Croydon Council and its partners:
- adopt the National Pledge for children in care and young people leaving care including the principles and top ten messages;
  - make a Croydon Commitment to children in care;
  - provide a refreshed the local offer for Croydon's care leavers.

## **2. The National Pledge for children in care and young people leaving care**

- 2.1 The inaugural national conference for care experienced people, held in April 2019, resulted in an invitation to all local authorities to pledge their commitment to a set of principles and messages to improve the support for children in care and young people leaving care in their local area. The national pledge is entirely consistent with the government's 7 principles for Corporate Parenting, a copy of which can be found at appendix 1. The pledge is included at appendix 2.

### **The principles**

- 2.2 It is proposed that Croydon Council and its partners commit to the following principles:

*We will listen to our children/ young people and ensure they have access to all legal entitlements. We understand they are experts in their own lives who deserve love and respect as individuals (within the context of their own experience). We recognise relationships are at the core of all we do and we must ensure the emotional wellbeing of our children/young people are prioritised.*

### **The top ten messages**

**2.3** Alongside the principles local authorities are asked to pledge that in their written policies, procedures and practices they take clear steps to ensure that all services delivered demonstrably:

1. Promote more love in the care system including displays of positive physical affection;
2. Ensure care experience people are regarded and treated as individuals worthy of respect and to promote that respect wherever we can;
3. Ensure that relationships are seen as central to all our policies and procedures to support children in care and care experienced people;
4. Take clear steps to improve stability and continuity in the lived experiences of people in care;
5. Work with our partners and young people to raise awareness of need and improve support for the mental health and well-being of children in care and care experienced people in our local area;
6. Recognise in our daily work that the impact of care experience does not end at 18 or 21 or even 25, and review our practice to remove age restrictions on support wherever we can;
7. Protect, promote and where necessary rebuild family and community connections and help those young people for whom we are responsible to understand their personal history;
8. Make sure that young people in our care are routinely engaged, consulted and have a real have a say in their own lives
9. Ensure that young people in our care are properly and fully informed of their rights and offer advocacy to ensure they receive them;
10. Listen to the voice of children in care and care experience people of all ages and always consult them about changes to services and support.

A copy of the top ten messages in poster format is included at appendix 3.

### **3. The Croydon commitment to children in care**

3. We will make sure you are happy with where you live and listen to your needs
4. We will help you with your education and whatever you choose to do in life.
5. We will make sure you have someone to talk to and get good advice
6. We will listen to your thoughts and feelings
7. We will understand you as a person not just a child in care
8. We will give you all the support you need to go home, if this is the right option

**4. Croydon would like to adopt the following proposed local offer, subject to further discussions around securing funding to deliver this offer and in accordance with the leaving care financial policy, to be finalised Spring 2020:**

**4.1 Local Offer for Care Leavers - overview**

- You will have a Personal Advisor by the time you are 16½ years who visits regularly and in line with their individual needs
- At 16 years old you will have a 'pathway plan', which plainly sets out all you needs, ambitions, goals, including where you will live, study and work.
- You will be provided with somewhere safe to live.
- You will receive assistance to develop a clear financial plan and financial assessment. If you have an assessed need for emergency additional income Croydon may offer you 'one off' financial support.
- We will ensure all your health needs are met and you leave care with a 'health passport'.
- We will ensure you have a photo ID (such as passport, biometric card or provisional driving license), national insurance number and a copy of your birth certificate.
- We will ensure you are listened to you and know how to access external support or advocacy services and you are aware of the complaints procedure.

## **Housing**

- Housing services in Croydon will not issue a decision of 'intentionally homeless' for any of our care leavers under the age of 25.
- As a looked after child your housing needs will be considered by the housing panel by aged 17½. to ensure you have a clear housing options pathway plan by the date of your last looked after review, prior to you turning 18.
- You will be placed on the housing register at 18 years old, and receive priority Band B. This includes the option to bid on properties if this is stated in your Pathway Plan.
- You will be entitled to social housing (unless you are an asylum seeker with no recourse to public funds)

## **Education Employment and training**

- If you are a care leaver in education post 19 (or 18 if at university) you will have access to tutor hours for additional learning to support you if needed through your exams. These will be offered in conjunction with a clear Pathway Plan setting out education goals.
- If you are in education, employment or training you will be supported with the costs towards driving lessons, this means a maximum of 10 driving lessons and the cost of 1 theory and 1 practical test.
- As a Care Leaver you will be able to apply for apprentice opportunities within Croydon Council. This will be at least 1 apprenticeship place in each part of the council (except children's services where we would offer 3 per year).

## **Money**

- The Leaving Care Service will provide young people with up to 6 weeks subsistence payments, mirrored to the current benefit rate (to assist you while waiting for initial benefits claim to be processed which needs to be backdated to your 18<sup>th</sup> birthday). This will be repaid via the setting up home grant.

## **Birthday gifts**

- A gift and a contribution towards the cost of celebrations will be paid to you until your 21st birthday.  
You will only receive this allowance if you are in contact with us.

## **Setting up home allowance**

- You will receive a setting up home allowance in accordance with Croydon's leaving care financial policy to help with getting essentials for your first home. The allowance is accessed as part of planned process alongside the pathway plan

### **Council Tax exemption**

- As a care leaver you will be exempt from paying council tax in Croydon until the age of 25. If you live outside of Croydon, your council tax will be covered up to the equivalent band of a similar property type in Croydon.

### **Local offer for care leavers living outside of Croydon**

- Your personal adviser will liaise with the local care leaver's service as a matter of routine to see what services or opportunities could be on offer for you. This will be clearly stated in your Pathway Plan.

### **Moving in to a new home**

- You will have help with costs of hiring a van or moving service
- You will receive assistance on moving day from your personal advisor

### **Rent until benefit in place**

- Housing (both within Croydon and other areas) and the Care leavers service have an agreement in place that allows the care leavers service and housing to liaise with each other to avoid rent arrears in most cases.

### **Health**

- We will pay travel for all care leavers to attend hospital appointments for non-routine health concerns, such as surgery.
- You will receive a Health Passport upon turning 18.
- You will be fully supported by your personal adviser to register with a GP, Dentist and Optician.
