

Addendum to Leaders' Scheme of Delegation

Pursuant to my Scheme of delegation dated 26 June 2018 and the Constitutional and legal provisions which reserve executive functions to the Leader and in view of the current Covid-19 pandemic, I hereby make the following interim arrangements to delegate authority should I be unable to act to take decisions required to continue to conduct Council business:

I delegate full authority to the Statutory Deputy Leader or should she be unable to act, to the Deputy Leader to exercise all/any executive functions in my stead.
