

CROYDON COUNCIL - Job Description

Job title: Director of Culture & Community Safety	Service Area: Culture & Community Safety	
Directorate: Sustainable Communities, Regeneration & Economic Recovery	Post Number From Oracle	Evaluation Number: From JE system
Grade: 2	Date issued: June 2021 FINAL	

Croydon Council's priorities

We will live within our means, balance the books and provide value for money for our residents.

We will focus on tackling ingrained inequality and poverty in the borough. We will follow the evidence to tackle the underlying causes of inequality and hardship, like structural racism, environmental injustice and economic injustice.

We will focus on providing the best quality core service we can afford. First and foremost, providing social care services that keep our most vulnerable residents safe and healthy and keep our streets clean and safe.

To ensure we get full benefit from every pound we spend, other services will only be provided where they can be shown to have a direct benefit in keeping people safe and reducing demand

Croydon Council's new ways of working

We will practise sound financial management, being honest about what we've spent and what we can afford.

We will focus on what we, uniquely, can do as the local authority as the democratically elected leaders of our borough. This means we will focus on our core services, and a small number of evidence-based outcomes that deliver our priorities. But we will also continue to use our democratic mandate to convene our partners around a common purpose and to make a clear case for a better deal for Croydon.

We will aim to become a much more transparent, open and honest council.

We will involve residents in our decision making. But we will also need to be clear with residents about what we can do, and what we can't. When we have to say no, we will do so with compassion and take the time to explain our decisions.
