

# CONSTITUTION OF THE LONDON BOROUGH OF CROYDON

## Part 4.C- Budget and Policy Framework Procedure Rules

### 1 The framework for executive decisions

The Full Council shall be responsible for the adoption of the Budget and Policy Framework as set out in Article 4. Once a Budget or a Policy Framework is in place, it shall be the responsibility of the Executive to implement it.

### 2 Process for developing the Budget and Policy Framework

- (a) The Executive shall be responsible for the preparation of proposed plans, strategies or budgets that form part of the Budget and Policy Framework. For the purposes of these rules, 'plan or strategy' means:
- i) A plan or strategy specified in Article 4 (Appendix); or
  - ii) A plan or strategy for the control of the Council's borrowing or capital requirement; or
  - iii) Any other plan or strategy whose adoption or approval is a matter for determination by the Council by virtue of Regulation 146 5(1) of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000.

The Budget shall mean:

- i) The identification and allocation of financial resources for the following financial year(s) by the Full Council including:
  - Revenue Budgets;
  - Capital Budgets;
  - The Council Tax base;
  - The Council Tax level;
  - Borrowing requirements;
  - Prudential indicators;
  - The Medium-Term Financial Strategy; and
  - The level of Uncommitted Reserves.
- ii) Any resolution of Full Council identified as a budgetary decision causing the total expenditure financed from Council Tax, grants and corporately held reserves to increase above that stated in the approved budget.

- (b) In respect of the adoption of plans and strategies comprising the Budget and Policy Framework the Scrutiny and Overview Committee shall have not less than four weeks to respond to the initial proposals referred to it unless the Mayor considers that there are special factors that make this timescale inappropriate.
- (c) The Mayor shall publish in advance a timescale for the Budget. The Chair of Overview and Scrutiny Committee will also be notified. The timescale will be subject to variation dependent on the timing of the Local Government Finance Settlement and the information available. This will be advised upon by the Chief Finance Officer.
- (d) It is open to the Scrutiny and Overview Committee to comment on the policy proposals and the Executive will take any response from the Scrutiny and Overview Committee into account in drawing up proposals for submission to the Council. The Executive's report to the Full Council will reflect how they have taken into account the recommendations of the Scrutiny and Overview Committee and/ or their reasons for not doing so.
- (e) The Full Council will consider the proposal and may by simple majority:
  - i) adopt the proposal or approve submission to the relevant Secretary of State (where that is required); or
  - ii) object to the proposal and instruct the Executive to reconsider in the light of those objections.

The instruction to the Executive will allow at least 5 working days for the Executive to either submit a revised proposal or to respond to the objections in relation to the original proposal, giving reasons for the response. In the event that sub-paragraph 2(e) has been recommenced, the proposal having not reached either outcome at sub-paragraph 2(h), the Executive must give particular consideration to whether a revised proposal is required.

- (f) If it accepts the recommendation of the Executive without amendment, the Council may make a decision, which has immediate effect.
- (g) The decision shall be publicised and a copy shall be given to the Executive.
- (h) Where the Council has objected to the proposal in accordance with sub-paragraph (e)(ii) above, the Full Council will, within 7 clear working days of receipt by the Chief Executive of the response of the Executive, consider that response and may either:
  - i) Approve the proposal: by a simple majority of those voting, approve the original or revised proposal for adoption or submission to the Secretary of State; or
  - ii) Make amendments: by a two thirds majority of those voting,

amend or modify the revised or original proposal.

In the event that neither outcome is achieved, the Chief Finance Officer will advise the Council of the minimum decisions and resolutions the Council must make at that meeting as required to comply with statutory requirements and:

- (i) If a decision on the Proposal is not identified by the Chief Financial Officer as required to be made at that meeting, the proposal fails and the process at sub-paragraph 2(e) must be recommenced; or
- (ii) If a decision on the Proposal is identified by the Chief Financial Officer as required to be made at that meeting, there will be no time limit on the length of the meeting and the Council shall continue to meet until it has reached a final decision on the matter.

The decision shall then be made public and may be implemented immediately;

In approving the Budget and Policy Framework, the Council shall also specify the extent of virement within the Budget and degree of in-year changes to the Policy Framework which may be undertaken by the Executive or Corporate Director, in accordance with paragraphs 6 and 7 of these Rules (virement and in-year changes). Any other changes to the Policy and Budgetary Framework are reserved to the Council or delegated to the General Purposes and Audit Committee on grounds of urgency.
