For the avoidance of doubt, here is a photograph of the advertisement for live music **from 9pm with no end time.**

The application at Section 3 of 18, is requesting to add live music limited to 1am on Fridays and Saturdays. The premises are near to residential properties. The application mentions no sound limits or mitigation.

This does not support the Prevention of Public Nuisance.

of

The application form, Section 13 of 18, SUPPLY OF ALCOHOL, clearly states Yes, to subject to change.

The application is obviously requesting such on Fridays and Saturdays until 02:00 for consumption for both on the premises and off and away from the premises.

This will enable people to carry on consuming alcohol after leaving the premises. There is no mention in the application, for the provision of signs when leaving explaining to people that they will be entering the space defined in the Public Space Protection Order.

Bottles may become weapons and this cannot support Public Safety or the Prevention of Public Crime and Disorder.

There is no detail on the provision of public transport in particular, licensed taxis to take people away safely from the premises.

Nor is there any provision of the "Ask Angela" scheme as used in neighbouring Merton.

A4

There is **no** detail of any consideration of the "**policy**", or **any** conditions that may have been requested by the Police.

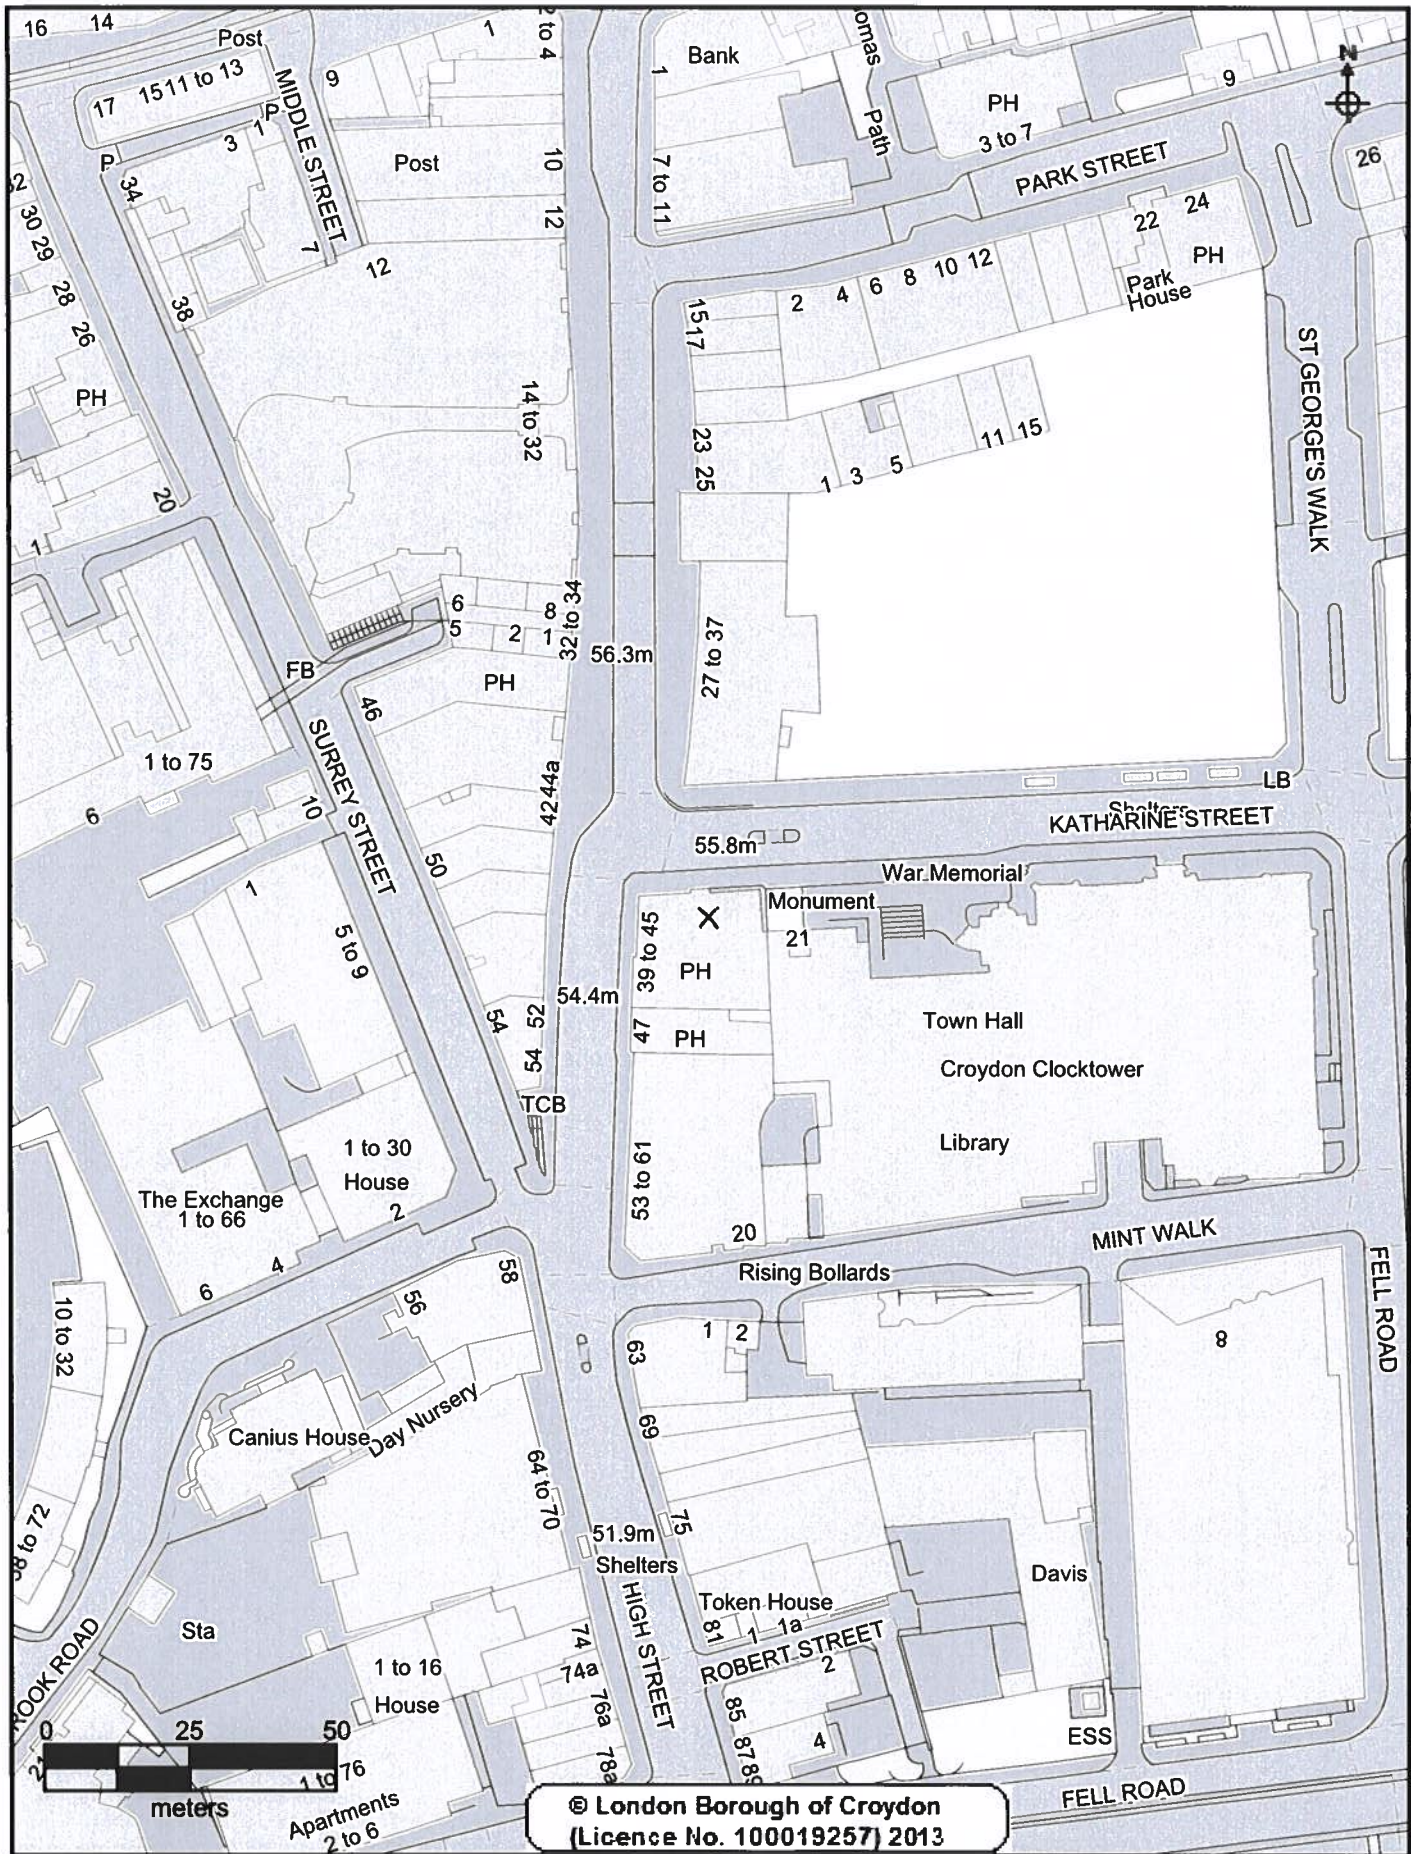

The applicant states is "**content**" to discuss during the consultation process.

But these hidden and agreed conditions remain thus and therefore cannot be shown to support **any** of the the four licensing objectives.

I would therefore wish to make these representations before the licensing sub-committee in due course.

Yours sincerely,
