SE.3.24/25	The Sub-Committee welcomed the aspiration for the implementation of a fully digital map of borough parks on the Council website to reflect information on the last and next planned grass cutting and recommended that this be formally included on the Ground Maintenance work plan.	Cllr Scott Roche SCRER	<p style="text-align: center;">Already in Progress</p> <p>The service has commissioned an external supplier who has commenced the digital mapping of our parks and open spaces. Once completed and quality assured, the service will look to commence Phase two, which will look at integrating the operational scheduling and performance monitoring of the service.</p>	Karen Agbabiaka, Director of Streets & Environment	Phase 1 - £75k	The first phase of the digital mapping is due to be completed January 2025.
