

**24th October 2019 Planning Committee  
ADDENDUM**

**Item 6.1: 19/01352/FUL – 56 Woodmere Avenue, Croydon, CR07PD**

Since the publication of the Committee Report 1 further letter of objection has been received from a neighbour who had previously made representations on the application. The representation largely reiterates comments previously reported in the committee report including, loss of light, noise, out of character with the area, obtrusive by design, over development, overlooking and traffic and highways implications.
